## SEASON OF THE RESURRECTION

The only feast in the early Church was the feast of Resurrection, which is the centre of Christian faith. From the time of the Nicaean Synod, this feast is celebrated on the Sunday after the first full-moon that follows March 21. This season remembers the events from the Resurrection of Jesus to Pentecost in seven weeks. **The first Friday of this season is celebrated as the Memorial of 'All Saints and Martyrs'.** The Sunday after the feast of Resurrection is known as the New Sunday (Puthu-njayar) that commemorates the proclamation of faith in Jesus by St. Thomas, the Apostle.

This season gives the good news that the Risen Lord, who entrusted Simon Peter and other Apostles and their successors with the task of leading the flock, is with them till the end of the world. **The feast of the Ascension of the Lord is celebrated on the fortieth day after the feast of Resurrection.** Hence, this season asks the faithful to ponder on heaven, resurrection and eternal life. It is only through Jesus Christ, the saviour, that one can attain eternal life. The Church upholds the example of the Apostles who spent their whole time in the Temple as per the command of Jesus at the time of His Ascension. The Church asks us to wait hopefully for the joy of the Pentecost in the Church where heaven and earth unite.
